REMARKS

This responds to the Advisory Action mailed on April 7, 2006.

Claim 14 has been amended, claims 1-13, 15-59 are canceled; as a result, claims 14, and 60-68 are pending in this application.

Applicants reserve the right to reintroduce cancelled claims in continuation applications.

Allowable Subject Matter

Claim 14 was objected to as being dependent upon a rejected base claim, but was indicated to be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Claim 14 has been amended accordingly. Applicants respectfully submit that claim 14 is in condition for allowance.

Claims 60-68 are indicated as allowed.
